

The Pheasant

Award-winning Gourmet Harome Breaks at a gentle pace...

The tiny village of Harome on the edge of the North Yorkshire Moors National Park is now well established as a firm foodie favourite. We have added Yorkshire Life's 'Small but Special Accommodation' award to our 'Restaurant of the Year' award, whilst our close neighbour, The Star Inn holds a Michelin star.

This allows us to offer our valued customers the opportunity to reward themselves with a very special Gourmet Break; sampling both venues in one unique package and dining in two of the most prestigious eateries in North Yorkshire.

On Day 1, arrive and check in at The Pheasant for your two night stay, relax by the fire and indulge in Kir Royales and cakes, have a wander in the village, swim or take a nap! In the evening, you will amble down the road to The Star, to be welcomed with special cocktails, then choose 3 courses from the A la Carte menu with an allowance of £45 per person.

Day 2 starts with breakfast at your leisure, then spending the day as you please. In the evening you will dine at The Pheasant from our tasting menu with matching wines. You will finish your gourmet treat with a hearty breakfast before heading home.

£650 per couple for 2 nights on a DB&B basis
